PROUDLY BUILT AGAINST THE GRAIN

FURNITURE MADE IN THE U.S.A.

After the launch of HGTV's Home Town, we were approached by overseas companies for furniture line development with national distribution. Growing up in North Carolina, Ben remembered the small factory towns that had been shuttered and left empty when manufacturing moved overseas. Thinking of the countless American families who suffered in the aftermath, we knew there had to be a better way to make furniture.

Vaughan-Bassett, the largest manufacturer of wooden residential furniture in the United States, is committed to their hometown of Galax, Virginia, just like we are committed to our hometown of Laurel, Mississippi. We've partnered to create a cottage inspired furniture line crafted by 500 American workers.

Our latest introduction is the Crafted Oak Bedroom by LMCo Home, available in stores across the United States.

If we're going to be serious about revitalizing small town America, we have to be serious about making things in America.

FURNITURE MADE *in the U.S.A.*
featuring Solid American Oak & Oak Veneers

The Crafted Oak Collection features solid American White Oak and white oak veneers. We have used ATAP™ Technology (Accelerate The Aging Process) to highlight the splits, cracks, knots and bold grain pattern only found with American White Oak. This collection is designed exclusively for consumers whom understand and value a reclaimed wood look.

Until now, only Mother Nature could make wood look this good. Crafted Oak was lovingly made in our factories in Virginia by over 500 American craftsmen and craftswomen.

The Crafted Oak Collection embodies minimalist design that is simultaneously stylish and inviting. The group is available in three finishes – Natural, Aged Grey and Bleached White – each of which allow the natural beauty of the oak grain to be the focal point.

Crafted Oak features an eight-drawer dresser, five drawer chest, two drawer nightstand and two bed designs. The organic curves, natural finishes and quality construction of the Rustic Modern collection combine to create a sophisticated but inviting atmosphere for today's modern consumer.

“To build furniture that lasts and becomes an heirloom passed down through generations – that’s the only kind of furniture we want to make.”
