PROUDLY BUILT AGAINST THE GRAIN

FURNITURE MADE IN THE U.S.A.

After the launch of HGTV's Home Town, we were approached by overseas companies for furniture line development with national distribution. Growing up in North Carolina, Ben remembered the small factory towns that had been shuttered and left empty when manufacturing moved overseas. Thinking of the countless American families who suffered in the aftermath, we knew there had to be a better way to make furniture.

Artisan & Post, the largest manufacturer of wooden residential furniture in the United States, is committed to their hometown of Galax, Virginia, just like we are committed to our hometown of Laurel, Mississippi. We've partnered to create a solid cherry dining room group crafted by 500 American workers.

If we're going to be serious about revitalizing small town America, we have to be serious about making things in America.

The Crafted Dining Collection from Erin and Ben Napier is a Solid Wood collection. This means no wood veneers were used to make this collection and every piece is carefully crafted using Solid American Cherry.

The Collection is all about choices. We start with 3 fantastic finishes to choose from – Natural Cherry, Medium Cherry and Bleached Cherry. Each finish allows the grain pattern and beautiful unique nature of Solid Cherry wood to shine through and to be the primary focal point of each piece.

Within the dining collection, there are 3 very different stylish tables. The dining includes a solid cherry ladderback chair and an upholstered chair available in 3 beautiful Bouclé performance fabrics.

By choosing your style and table size choose the side chair to create the perfect dining room for your home and lifestyle.

We've also created a simple but stylish server that features clean lines and custom-designed hardware. The 3 drawers include English dovetail joinery in the front and back, super smooth acrylic drawer interiors and dual steel ball-bearing guides with a Whisper Close mechanism.

And finally, be sure to check out our new Crafted Cherry Bedroom Collection which beautifully compliments our Crafted Cherry Dining.

“To build furniture that lasts and becomes an heirloom passed down through generations — that’s the only kind of furniture we want to make.”
